MLGA SCORING

Use two (2) score cards during play. Date and put **first and last names** of ALL players on each score card. Once a hole is completed, all players should exit the green and move to the next tee box. Enter all player scores on the score cards. Please note any Birdies or Chip-In's on score cards by writing the name of the player, the hole # and "Chip-In" or "Birdie". 2 MLGA players should attest by initialing next to the entry on card.

After League Play, add up the total round score for each player and enter on the score card. Compare both cards to verify that they have the same number of strokes for each player per hole and that the FINAL ROUND TOTALS for each player agree. Select 1 of the cards to be the "Official" score card. Two MLGA players **MUST** sign the card attesting that the scores are accurately listed and added.

Place official score card in the "MLGA Score Card" box" so weekly game scores can be recorded. Last group in is responsible for putting all score cards and supplies in the MLGA Drawers just outside area with the Golf Simulator. **PLEASE DO NOT** give score cards to Golf Course Staff. ALL SCORES on a card will be entered into "League Manager".

COUNT ALL YOUR STROKES LADIES!

FAILURE TO PROPERLY COMPLETE SCORE CARD COULD DISQUALIFY THAT ROUND OF PLAY.

Look for updates on Handicaps/Rounds Played and Birdie/Chip-In numbers on the MLGA Bulletin Board in the Club House.

Carry a copy of the rules - We recommend that you keep a copy of the rules in your golf bag or set **www.mlgagolf.com** as favorite on your phone. If in doubt, don't argue, consult a League Officer.

Annual Award Qualification

1) Members are eligible for an Annual Award if she played 12 "handicap" rounds at the Ballwin Golf Course during the season. ("Handicap" round is 9-hole actual score that can be used for handicap purposes.). MLGA season has approximately 24 weeks to reach this "minimum". Scores from previous years do not carry over.

Members are eligible for only one annual award.

2) Annual Awards may include: **Most Improved** (calculated using "League Manager" System handicap at beginning of season and end of season: **Best Day** on the Golf Course (the lowest round recorded for the season) and "Flighted" winners in several categories as deemed appropriate by the Officers of the League. Examples:

- "Low Net" - Flight A, B, C, D (3 places)

- "Ringer" - Flight A, B, C, D

3) Special Awards will be presented to any member who records an "ACE" (Hole in 1) or "EAGLE" during League Play.

4) Chip In and Birdie Awards will be presented for those who participated in these 2 side categories. At the end of the season, each "pool" of money is divided by the total number of Chip In's or Birdies made during the season. Players receive cash prizes based on the total of Chip-In's and/or Birdies which they made.

What is a "Ringer"? A "Ringer" score is established by using the **LOWEST** number of shots a player had on each hole recorded of the entire season. Those counts added up become the player's "BEST" or "Ringer" score.

**PENALTIES, BOUNDARIES, HAZARDS

 - Drop or Place a ball and take next shot for a total of **3 Strokes**.

PLEASE tend the flag for other golfers. (DO NOT loiter at the green to figure scores, as golfers behind you may be impacted.)

MLGA LEAGUE PLAY, SPECIAL RULES, POOLS AND EVENT PLAY

MLGA Special "Rules" - 1.) Players may take advantage of a "Special Rule" established by the MLGA. Each round, players have the option to take **EITHER** a ***Free Mulligan*** (tee shot "do over") **OR** ***Free Out of Water*** on any of the 9 holes of play. Let fellow golfers know when using and only 1 per round. Use ***Mulligan then*** the 2nd shot **MUST** be used. With the ***Out of Water***, ball may be removed from the water or a new ball may be hit. Drop should be taken as near as possible to where ball entered the ***Penalty Area*** but **NOT** closer to the pin.

There is **NO PENALTY** stroke assessed in either case.

2.) "Stroke and NO Distance" used when ball is ***Out of Bounds, Lost or Unplayable***. This is intended to speed up play by allowing a golfer to locate a spot, no closer to the hole but on or near where it was expected to have landed when ***"Lost"***, declared ***"Unplayable"*** or where it crossed the ***"Out of Bounds"*** line. (on fairway or rough). Drop or place, ball near that location with a **1 STROKE PENALTY**.

3.) Unraked Bunkers/Sand Traps - Balls landing in a Bunker/Sand Trap, that has **NOT** been raked, may be lifted, sand smoothed and the ball replaced with **NO PENALTY**. (See also **PENALTIES, BOUNDERIES, HAZARDS...** for other Bunker/Sand Options.

Chip In's and Birdies - MLGA has established 2 categories for awards outside those covered by the League Fee. They are "Chip In's" and "Birdies". To be eligible for either of these, a player must sign up and pay an additional \$5.00 for each **by the first day of League Play**.

Throughout the season if a "birdie" or "chip-in" is made, the name of the player, the hole # and "Birdie" or "Chip-In" **MUST** be written on the scorecard. As verification, another golfer should initial the entry.

Changes/cancellations needed **AFTER** the **NOON** cutoff **MUST** be made by **CALLING** the course Monday morning at **636-227-1750**.

If you do NOT ARRIVE 15 minutes, prior to your scheduled tee time or call the course to let them know you are on your way, your tee time may be given away. The golf course likes to send out groups of 4, whenever possible, and will move players around. Your playing partners CAN be sent out without you.

Pace of Play - Ballwin Golf Course estimates a round of golf at 2 hours and 20 minutes (max 40 sec. per shot). Please adhere to this. The League will ask the Golf Course to have a "Marshall" monitor "Pace of Play", if necessary. Repeated slow play, will result in a "Tee Time Penalty" (Offender(s) will be required to play at the LAST Tee Time) **Faster golfers** should be allowed to **"Play Through"** and they should if there is a time gap, in front of the slower players. **NO GAP...**
PLEASE BE PATIENT! REMEMBER: DOUBLE PAR MAX.

Rude or unladylike conduct is not acceptable. Hold your **TEMPER** to both golfers and staff of the Golf Course.

Play "Ready Golf" - Tee off as soon as the group in front is clear. Don't worry about "honors", if you are ready, hit your tee shot. Be ready to tee off once you reach the new tee box. Watch other shots and help locate balls, if needed. When possible, go directly to your ball, with your club(s) and be ready to hit. Ball furthest from the hole is, generally, played first. (Stay safe, watch other shots.)

Golf Balls - Please mark your ball before teeing off to avoid playing the wrong ball. (**2 Stroke Penalty**) (Players may use a different ball when attempting to clear the creek.)

Practice Swings -No more than 2 practice swings. **PLEASE!**

MONDAY LADIES GOLF ASSOCIATION (MLGA)

GENERAL COURSE RULES AND ETIQUETTE

The Monday Ladies Golf Association (MLGA) is a 9-hole recreational women's golf league played **Monday mornings** April thru October. Membership Fee is established annually and **must be received** by the league predetermined date each year. The only exception is for new members added after that date.

League Qualification - To maintain membership in this league, ladies are expected to play not less than **8 "handicap"** rounds during the season. (A "handicap" round is a 9-hole score that is actual and can be used to establish a handicap for the player.) Failure to do so, without contact with any of the League Officers, will result in removal from the Membership contact list for the following season. The League understands that "special circumstances" may prevent a member from playing the required 8 rounds. Let the league know the reason you were unable to play the minimum; decisions made on a case-by-case basis.

Tee Time - Make tee times using *SignUpGenius.com* (Membership Fee must be paid before invitation to sign up for tee times.) New tee times will be opened on the 15th of each month. An e-mail from *SignUpGenius* will be sent when available. **NO EARLY SIGN UP!**

PLEASE SIGN UP FOR YOURSELF! You MUST be SIGNED into *Genius* to select or delete tee times! If unable to play at time selected AND it is BEFORE NOON on the Sunday before play, PLEASE delete your name from *SignUpGenius*.

NOTE: The **cut off** to add or make changes to on-line tee times is **NOON** on the Sunday before MONDAY League Play.
